INDIANS STOP POLYGAMY.

They Will Each Pick Out a Wife and Separate from the Others.

Hennessy, O. T., July 13.—The Indians in this portion of the Territory have been holding a big council here for days on the subject of polygamy.

After much debate they have concluded

to abolish the practice throughout their tribes without waiting for the interference

It has been decided that each buck may pick out one of his squaws whom he chooses to live with as his wife, and that his his he must then separate from all the others. in
